Effective September 1, 1997, retail sales occurring within the city limits of the newly incorporated city of Covington (King County) must be coded to location code 1712. NOTE: There may be additional changes to special hotel/motel taxes which do not appear here because they were not received before the printer's deadline. Any hospitality businesses affected by such changes will have been directly notified by mail or telephone.

Effective August 1, 1997, the city of Chelan (Chelan County) imposed a special hotel/motel tax increase to 3%. Do you remit RTA tax?

If you remit the 0.4% sales or use tax for the Regional Transit Authority (RTA) in King, Pierce and Snohomish Counties, please remember to report the tax in the lower left corner of page 1, after code 89, of the Combined Excise Tax Return. If you would like a map of the RTA boundaries, please call (800) 647-7706.

Small business credit changes

Starting with the July 1997 reporting period, businesses eligible for the small business credit will use tables issued by the Department of Revenue to determine the amount of the credit. The tables, with accompanying instructions, will be mailed with each Combined Excise Tax Return.

Public utility tax minimums

You are not liable for public utility tax if your income is below certain levels. Some businesses have been paying the tax even though they don't owe it. If your total taxable amount for public utility tax (page 2, lines 54 through 61, Column 3 of the Combined Excise Tax Return) is less than \$2,000 for monthly filers, or \$6,000 for quarterly filers, your income is below the minimum taxable amount and no public utility tax is due. If your taxable amount is above those levels, you are liable for tax on the total.

These levels for minimum taxable amounts have been in effect since July 1, 1996. Prior to that, the minimum taxable amounts were \$500 for monthly filers, and \$1,500 for quarterly filers.

PTBA maps and sales tax collection schedules available

You may obtain (1) maps showing the boundaries of public transportation benefit areas and (2) schedules showing the amount of sales tax, by selling price, to be collected for various combined sales tax rates. Just call the Department of Revenue's Local Tax Section at (360) 902-7170.

Transient lodging information

Transient Rental Income is reported by businesses providing transient lodging for less than 30 days. Examples of transient lodging businesses include hotels, motels, trailer camps, and RV and tent campgrounds. The transient rental tax is not an additional tax; it is distributed to the counties and cities which levy this tax from the state portion of the retail sales tax. The Transient Lodging Information section is located on page 2 of the Combined Excise Tax Return.

The Convention and Trade Center and Special Hotel/Motel taxes are collected *in addition to* the retail sales tax. The Convention and Trade Center and Special Hotel/Motel sections are located on page 2 of the Combined Excise Tax Return.
